Defendant.)	

THIS MATTER is before the Court on defendant's pro se Motion for Release of Custody. (Doc. No. 40). The Court will require a response from the Government before ruling on the motion.¹

ORDER

IT IS, THEREFORE, ORDERED that within 20 days the Government shall file a response to defendant's motion.

Signed: April 23, 2020

Max O. Cogburn Jr United States District Judge

¹ The Court is not requiring the Government to file responsive briefs for most of the COVID-19 motions, but defendant here appears to have exhausted his administrative remedies, he has provided medical documentation, and his estimated release date is August 2020—all factors that may weigh in favor of release to home confinement for the duration of defendant's sentence. Thus, the Court would like the Government's input before ruling on defendant's motion.
